Principal's Message

Tansi, hello Career Pathways students and families!

We have an exciting month filled with engaging and fun activities! We are going on two PE field trips to the Ice Rink, and at the end of the month we are going Ice Fishing for two days!

Please note that this month is our Winter Break February 12th-19th, and Pink Shirt Day is February 28th. Check out our 'Important Dates' page for all of our events, field trips, and early dismissal day this month.

We are so excited by our continued growing attendance - our students are working so hard, and we know that it is going to be a successful and productive second semester! Keep up the great work, students!

Principal Advisory Council

Next Meeting Date: Tuesday, February 27th

Time: 6:00pm

Location: Career Pathways School

We hope to see you at our next Principal Advisory Council meeting!

School councils are an important forum through which members of school communities play an advisory role in school improvement planning. Key factors in collaborative relationships are building meaningful, two-way communication and supporting respectful interactions among education partners. School council is a structured group of parents, principals, teachers, secondary students and community representatives whose purpose is to advise the principal and the school board regarding matters relating to the school. It is a means for parents and community members to work together with the school to support and enhance student learning. Respectful discussion is always encouraged.

January Highlights

PE Field Trip to the Lakeview Sports Centre

Our Mental Health Therapist, Heather, visited our school to do a calming exercise with the students that incorporated art, visualization, and a mindful moment. The students really enjoyed this, and we are so grateful for Heather teaching us this wonderful calming exercise!
