Principal's Message

Hello Career Pathways students and families!

We have another busy month ahead at our Conklin Career Pathways campus! Our students will be attending two field trips this month! They will be going ice fishing on March 21st and 22nd on Gregoire Lake, and on March 28th the students are going skiing at Vista Ridge. The students will also be going to the Mutliplex for Physical Education class.

We hope you all have a wonderful and productive month!

February Highlights

Winter Land Camp

Our CPS students in Conklin had the wonderful opportunity to attend a Winter Land Camp on Feb. 8th and 9th with students from Bill Woodward School! The students learned about the history of the fur trade, and survival, and they ended the two day camp with a survival scenario. The students slept in the trappers tents, and they had to start a fire with minimal tools, build a shelter, and cook their own meal. The students earned receive 2 credits for this trip! Thank you so much to Justin Bourque and everyone involved in making this such an incredible experience for our students!
