Principal's Message

Tansi, hello Career Pathways students and families!

We have had a great month getting settled into our new school at the Northern Lakes College campus! We have had a busy spring full of workshops, CTS days, and school activities. Our students have been working hard to complete their courses by the end of the school year, and we are very proud of how much they have accomplished!

We hope to see you all at our Open House on May 30th at 5:00pm to see our new school, meet with the staff, and enjoy a BBQ dinner!

Tessa Dagenais
Principal at Career Pathways School

Celebrating Administrative Professionals!

Today, we celebrate Administrative Professionals such as secretaries and office support staff.

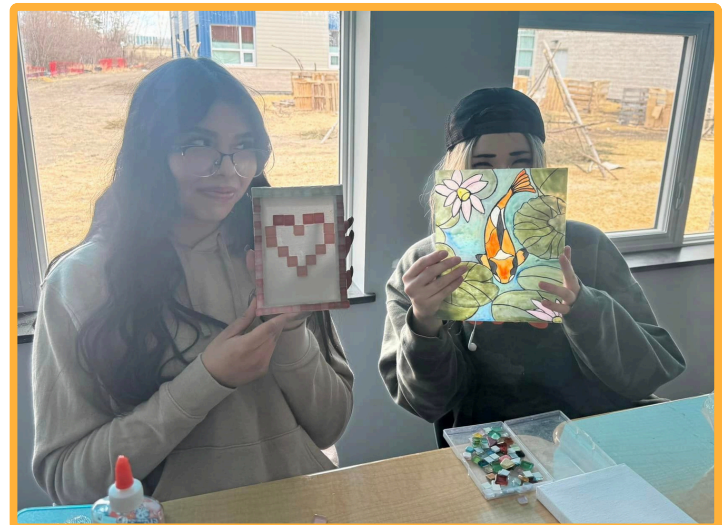

The Board and Administration thank secretaries and office support staff for everything they do to help principals, teachers, students, parents/guardians, and community members.

They play an important role in helping students achieve success through caring and compassion.

Thank you so much for what you do every day!
